EAST CAROLINA COLLEGE BULLETIN

SUMMER SCHOOL NUMBER

Volume 47

March, 1956

Number 1

SUMMER SESSIONS 1956

The Summer quarter at East Carolina College is an integral part of the academic year, and is the equivalent of any one of the other three quarters in respect to courses, their credit value and the quality of instruction given.

The Summer quarter is divided into two equal terms. This arrangement is made for the convenience of a large number of students who find it inconvenient, if not impossible, to attend the full quarter, but who find it necessary or profitable to use a portion of the summer for further study.

Instruction periods are fifty minutes long, exclusive of the change period between classes.

A tentative list of the courses to be offered during the summer sessions is found in this bulletin. If there is not sufficient demand for any course listed in this bulletin, it will be dropped and another course will be offered in its stead.

Practice teaching in the elementary grades will be offered during the first term only.

All courses offered carry degree credit.

ENTRANCE REQUIREMENTS

The requirements for admission are the same for the summer session as for the regular year. For complete statements concerning them the regular catalogue should be consulted.

High school graduates who expect to enter college here for the first time must submit their high school credits before registering; preferably, a month before the opening of the summer session.

Graduates of accredited high schools are admitted without examination if their credentials include a minimum of sixteen units of acceptable courses.

Applicants who have attended any college or university should have a transcript sent from the college (or colleges) to the Registrar of East Carolina College. Persons who wish to attend the summer term only need not send a transcript from other colleges unless credit earned is to be used in meeting requirements for a degree from East Carolina College. Students who enroll in senior-graduate or graduate courses must also present transcripts of previous college work.

The above statement applies to students who are eligible to continue in the college in which they were last enrolled. Persons who are ineligible to continue in another college are not eligible to register in East Carolina College.

Credits earned elsewhere in standard colleges will be accepted when properly certified, provided such credits fit in with the curriculum selected by the students in East Carolina College.

The Registrar should be supplied with an official transcript of any recent extension or residence work done in other colleges for which the student desires credit at least three months in advance of the date he expects to graduate here.

It is expected that each student will keep for his own information and guidance an orderly check on the courses completed, and those yet to be completed on his curriculum as it is outlined in the catalogue.

FEES AND EXPENSES

	1st	2nd	
	Term	Term	Total
Registration Fee	\$ 5.00	\$ 5.00	\$10.00
Tuition (residents of N. C.)	20.50	20.50	41.00
Tuition (Non-Residents of N. C.)	50.50	50.50	101.00
Room Rent	13.00	13.00	26.00
Laundry Deposit	4.00	4.00	8.00
Student Activity Fee	5.50	5.50	11.00
Auditor (each course)	6.00	6.00	12.00
*Infirmary Fee	1.00	1.00	2.00
Observation in Training School			
(per week)	5.00		5.00
Private Music Lessons	15.00	15.00	30.00
Practice Teaching Fee	10.00		10.00

All fees are due at time of registration.

Students who schedule more than nine credit hours a term will pay \$4.00 a credit hour for all hours in excess of nine.

Special students, i.e. day students who schedule not more than four credit hours a term, will pay a fee of \$5.00 a credit hour scheduled.

HOUSING FACILITIES

The college has adequate space in its dormitories and cafeteria for all who may attend the summer sessions, and private homes are available for those who desire to live off the campus.

^{*}Charged day students not living in their own homes; gives infirmary service.

Students staying in private homes may secure board in the college cafeteria. Room and board may be found in private homes convenient to the college at reasonable rates.

Students not living in the college dormitories should be sure to give their local address on registration forms, so they may be located quickly in case someone desires to get in touch with them.

Living quarters will be reserved for the housing accomodations of married couples who attend the summer sessions. These accommodations will be available when the husband is registered for summer school work here. Children may not live in the college dormitories nor take meals in the college cafeteria.

Rooms in the men's dormitory will be available during the summer sessions for men students.

SPEED-UP PROGRAM

A year may be saved in a four year curriculum by attending three full summer sessions. However, good educational standards must not be sacrificed for the sake of speed.

CERTIFICATES AND DEGREES

All work offered during the summer sessions applies toward the requirements for a teacher's certificate in North Carolina and toward the requirements for a degree in East Carolina College. All curricula leading to the Bachelor of Science degree meet the requirements for a Class A teacher's certificate.

To meet the request of those students who do not expect to teach, this college now offers curricula, leading to the Bachelor of Arts degree, which do not require the education courses required of those preparing for the teaching profession.

PRIMARY AND GRAMMAR CLASS A CERTIFICATES

The State Department of Certification now requires the satisfactory completion of the requirements for a degree from a standard college and the specific certificate requirements as qualifications for the Class A certificate. This means that the department does not issue the Class A certificate merely on the earning of a minimum of 120 semester hours, including specific subject requirements for the certificate as was done formerly.

When a certificate is to be raised to a higher grade it is not necessary to send the old certificate to the State Department of Certification.

Reports of the summer school work go promptly from the college to the State Department of Public Instruction on a form provided by the Department of Certification. This form should be obtained from the Registrar and filled out by each student who wishes to have **cr**edits reported to the State Department of Education. Do not send the Department your personal report of summer school work.

GRADUATE CERTIFICATES

All graduate work at East Carolina College is directed toward the completion of requirements for graduate certificates. Courses are offered for the following graduate certificates: The principal's certificate, the superintendent's certificate, supervisor's certificate, graduate certificates in secondary and elementary education, and the counselor's certificate.

A generous offering of courses leading to the Master of Arts degree is scheduled for the summer sessions. The larger offering is during the first six-week session. The Master's degree may be earned in three quarters or in three eleven-week summer sessions.

LIBRARY SCIENCE

Attention is called to the offerings in Library Science during the summer sessions. Work is offered leading to full qualifications as a school librarian on both the undergraduate and graduate levels. Completion of all courses offered in the program of the Library Science Department and meeting of all other requirements for the Bachelor of Science degree and the Master of Arts degree will qualify teacher-

librarians to hold the graduate certificate in secondary or elementary education.

Teacher-librarians, that is, teachers who give a portion of their time to library work, shall have earned a degree in a standard four year college, met the professional requirements for a class "A" teacher's certificate, and earned at least twelve semester hours in library science. This work shall include administration, reference, children's and adolescent literature.

AUDITORS

With the permission of the instructor any class offered in the summer quarter is open to auditors; that is, to persons who desire to attend classes without receiving any credit for the course taken. The registration fee for this privilege is \$6.00 per course for each term, or fraction thereof. Auditors may register for any three courses at any time during a term. These will not be permitted to take examinations in the courses audited.

ABSENCES

Absences are counted from the first class meeting, hence, late registration constitutes an absence from class. A student will not be allowed credit on a course in which he is absent 25 percent of the class meetings. The student is held accountable for the work covered in each class meeting. See catalogue for full regulations.

CLASSIFICATION

Students working for a degree in East Carolina College are classified according to the number of credit hours earned and on record toward the completion of a curriculum in this college. Students having on record fewer than 48 quarter hours of credit are classified as freshmen; those with 48 to 95 quarter hours are classified as sophomores, those with 96 to 143 quarter hours are classified as juniors, and those with 144 quarter hours or more are classified as seniors.

Students taking a limited schedule of studies (not more than four quarter hours) are classified as "special students."

STUDY PROGRAM AND CREDITS

The usual regulations concerning a student's program of studies will apply during the summer sessions, but the regulations are interpreted for two equal terms instead of for an unbroken quarter.

A student normally schedules nine quarter hours each term. If a student thinks he needs to carry more than nine hours, he may request permission of the committee on credits to schedule additional hours. If circumstances justify it, exceptions may be made to the nine-hour regulation.

To convert quarter hour credits into equivalent semester hour credits, multiply by two thirds; e.g. 9 (quarter hours) multiplied by 2/3 equals 6 (semester hours).

To convert semester hour credits into equivalent quarter hour credits, multiply 1.5 of 3/2; e.g. 12 (semester hours) multiplied by 1½ equals 18 (quarter hours).

Teachers' certificates may be renewed in a six weeks term; credits may be earned toward a higher certificate, and toward graduation.

Students desiring transcripts checked or college credits evaluated before making up their summer term schedules should submit transcripts and request the check at least one month before the session opens.

Each student should register if possible on the first day of the term. Late registration is a serious hindrance to the best work and there is a fee of \$3.00 charged late entrants.

EXAMINATIONS

Final examinations in each term will be held in each class on the hour of the last class meeting. A condition (Grade of "C") incurred in the summer quarter must be

removed, in the manner directed by the instructor of the course, not later than the close of the next quarter of the student's re-enrollment in the college; if not thus removed, it becomes automatically a failure.

DEMONSTRATION CLASSES

Demonstration classes are provided for observation in the Training School for the first term of Summer School. Observation is offered in grades one, three, four, five, and six, and the hours are from 8:30 a. m. to 12:30 p. m. each day. Tuesday and Thursday afternoons are reserved for conferences with the teacher in charge of the class or with teachers as a group. Particular attention is given to reading difficulties.

Experienced teachers may enroll for observation alone, which carries no college credit, for a nominal fee of \$1.00 a day. The minimum charge is \$5.00. The number of persons that can be admitted for observation is limited. Persons desiring to observe in the Training School must register, secure a permit from the Registrar of the College and receive direction concerning the time and manner of observations.

GRADUATE WORK

East Carolina College offers excellent opportunities for graduate work leading to the M.A. degree The teaching staff is experienced and well trained, the library is sufficient and well selected, and the costs are very low. The whole program of graduate instruction has been worked out to provide better principals and teachers for the schools of North Carolina. One may secure an M.A. degree in three summers of satisfactory work. The following departments will offer graduate courses during the summer of 1956: Business Education, Education, English, Geography, Health and Physical Education, Library Science, Mathematics. Music, Psychology, Science, and Social Studies.

PLACEMENT BUREAU

The facilities of the College Placement Bureau are available to all students and graduates of the college without

charge to them. If they register with the Bureau and furnish the personal data needed, the Bureau endeavors to place them in teaching positions for which they are best fitted.

SELF-HELP

There is a limited amount of self-help work available to students who must earn a portion of their college expenses while attending the summer sessions. These self-help assignments are made about May 10, and students desiring such work should make application prior to that date on a form provided by the College. Only students with better than average scholarship are considered for these assignments.

RECREATION AND ENTERTAINMENT

The summer school at East Carolina College offers abundant opportunities for wholesome recreation to its students. Eight tennis courts, an indoor swimming pool, a baseball field, a good volleyball court, the bi-weekly motion picture show in the College Auditorium and the regular social hour each evening in the Robert H. Wright Building, are some of the attractions available.

A series of attractive entertainments secured from a national lyceum bureau will be offered during each term of the summer school. In addition there will be the usual picnics, barbecue luncheons, watermelon cuttings, etc., which are provided for summer school students.

Since the College is only seventy miles from the ocean, a day or a week-end at the beach may be enjoyed frequently. Atlantic Beach, at Morehead, and Bayview, on the Pamlico River, are popular resorts easily reached from here.

FACULTY

Attention is called especially to the strength of the faculty retained for the summer sessions. Students who attend the summer sessions of East Carolina College are assured of all the benefits that ordinarily accrue to those who attend a thoroughly modern college of high standing.

GRADUATION

Graduation exercises are held once each year; viz., at the close of the spring quarter in May.

Formal application for graduation, with a specific degree and a specific curriculum, must be made not later than registration day of the quarter in which requirements for degree are completed. The graduation fee of \$10.00 is due when the application for graduation is made.

SIGNIFICANCE OF COURSE NUMBERS

Course numbers as used in this bulletin and in the general catalogue indicate the college year in which the courses should be taken; that is, courses numbered 1 to 99 are for freshmen; 100 to 199 for sophomores; 200 to 299, for juniors; 300 to 399 for seniors; 400 and above, for graduate students.

The letter G following courses numbered from 300-399 indicates Senior-Graduate courses.

A course which can be divided and for which $2\frac{1}{2}$ quarter hours of credit may be granted each term carries either an "a" or "b" suffix. Students who take divided courses must complete both halves of these courses during the summer. Divided courses are not offered during the regular session.

EAST CAROLINA COLLEGE SUMMER MUSIC CAMP

JULY 15-29, 1956

BAND—ORCHESTRA—STRINGS—CHORUS—PIANO— MAJORETTES—DRUM MAJOR

Program: Band, choir, piano, orchestra, theory, music literature, conducting, sectional rehearsals, Drum Major and Majorette Techniques. Swimming, volleyball, baseball, tennis, dances, watermelon cuttings, wiener roasts, songfests, movies.

East Carolina College announces its third summer camp for school musicians and music teachers. The camp is open to qualified junior and senior high school musicians recommended by their music teachers. Each student will have a well-rounded musical and social program, supervised by skilled teachers and staff members.

EACH CAMPER SHALL PARTICIPATE IN AT LEAST TWO OF THE CAMP ORGANIZATIONS OR ACTIVITIES; I.E. BAND AND ORCHESTRA—TWIRLING AND CHORUS, BAND AND CHORUS, ETC.

Dormitories: All students and teachers will be housed in college dormitories at very reasonable cost. Teachers assigned as dormitory counselors and other camp supervisors are given dormitory room free of charge.

Meals: Students and teachers may secure all meals at the college cafeteria. Well-balanced meals are served at reasonable cost.

Recreation: The college swimming pool, one of the finest in the nation, and other athletic equipment and facilities are available to music camp members. Recreation will be planned and supervised.

Camp Health: The East Carolina College physician will be on duty to treat minor illnesses and oversee individual and camp health standards. The college infirmary is available for short periods of hospitalization.

SUMMER SCHOOL SESSION

EXPENSES

Dormitory room \$ 7.00
Board 20.00
Estimate, Students will eat in College Cafeteria where well
balanced meals are served at reasonable prices.
Tuition18.00
Including all class instruction (sectional rehearsals, music
literature and theory classes, materials)
Recreation
Total Cost \$50.00
(Private lessons with camp staff available at nominal charge per lesson.)

FOR DAY STUDENTS

Only the tuition (\$18.00) and recreation fees (\$5.00) are required.

For further information, please contact the Camp Director,

Kenneth N. Cuthbert, Box 255, E. C. C.

CONFERENCES AND WORKSHOPS SUMMER 1956

Workshop: June 4Education 365Ga,b—Resource-Use Education. Dr. Ed Carter. 9-12 daily—six quarter hours credit—Training School. One afternoon session weekly.

July 10

This course is under the direction of the Education Department. The workshop will be concerned primarily with the following activities:

- 1. How to analyze your community.
- 2. How to plan and develop programs of community action.
- 3. How to plan and operate a workshop.
- 4. How to use sociodrama and small group techniques.
- 5. How to evaluate a resource-use program.
- 6. How non-school agencies and schools can work together.

Workshop: June 4-July 10 Clinical Experiences in Special Education—Students enrolled in Education 264, 324G, 363G and 371G will meet at various times throughout the day in the Nursery School, Flanagan Building, in order to work with and observe programs of training for children needing help in speech correction and hearing.

Workshop: June 5-15 Health Education 345G—Alcoholism in Health Education. Dr. N. M. Jorgensen. Three hours daily—three quarter hours credit. 1:00 to 4:00 p.m., Flanagan Building.

This course deals with the effects of alcohol on the human body with sociological and economical implications as they apply to everyday living.

State and National authorities on alcoholism will act as lecturers and consultants in this course.

Workshop: June 4-June 15 Business Education 440—The Improvement of Instruction in Gregg Shorthand. Mr. Charles E. Zoubek and Dr. James L. White. Periods 2 to 5 daily for ten sessions—three quarter hours credit.

The Business Department of East Carolina College is fortunate to have the services of the noted shorthand authority, Mr. Charles E. Zoubek, for one week of the workshop course. Dr. James L. White will assist in the course and will continue instruction for the second week of the course. The workshop is planned particularly to acquaint the shorthand teachers in North Carolina with the newest materials in Gregg Shorthand that have recently been released by the publishing company. The Gregg Publishing Company is co-operating fully with the workshop and is quite eager to be of assistance to the shorthand teachers

of this state. All instructors in the state are cordially invited to attend the workshop either for credit or without credit.

Facilities for housing will be available on the campus for a minimum charge. Any one who plans to attend the meeting should drop a card immediately to Dr. James L. White, East Carolina College, Greenville, North Carolina. This workshop in the improvement of instruction in Gregg Shorthand and the visit to the state by Mr. Charles E. Zoubek will be one of the outstanding events in business education in North Carolina during recent years.

Conference: Supervision, Administration and Teaching—Dr. J. K. Long.

June 14 Dr. Eva Williamson, Dr. Woodrow Flanary
9:00-12:30—Flanagan Building, Auditorium, first floor

Clinic: Football, Baseball, Basketball

June 14-15 Mr. Jack Boone, Mr. James Mallory, Mr. Earl Smith. 9:00
A.M.-4:00 P.M. Memorial Gymnasium

This two-day clinic is being offered for resident coaches as well as coaches and other interested individuals out in the field who would like to attend. Discussions and demonstrations dealing with the coaching of football, baseball and basketball will be provided.

Conference: Improving Instruction in Elementary School Science. Dr. June 20 John G. Navarra

 $9\!:\!00\!-\!12\!:\!00\text{--}Flanagan$ Building—Science Auditorium $12\!:\!15\!-\!1\!:\!30\text{---}Luncheon$ meeting

2:00-4:00—Flanagan Building—Science Auditorium

Demonstration: Aquatic Skills Demonstration 2:30-3:30 P.M. Pool June 21 Dr. C. DeShaw

Conference: Improvement of Guidance Services in the Public Schools

June 22

Mr. Frank Fuller
9:30-12:30—Flanagan Building, Auditorium, first floor

Conference: Improvement of Reading in the Public Schools. Dr. Keith July 5 Holmes.

9:30-12:30—Flanagan Building, Auditorium, first floor

9:30-11:00 The problem of the slow reader: presentation of problem, demonstration lesson

Open discussion of lesson

11:00-12:30 The problem of the fast reader: presentation of problem, demonstration lesson Open discussion of lesson

12:45 Luncheon—Evaluation of present reading programs in Public Schools

Conference: Special Education C. Stromsta

July 3 (Hard of hearing, speech correction)

9:00-12:00 & 2:00-4:00-Flanagan Building, Auditorium,

first floor

Conference: The Tenth Annual Institute of the North Eastern District,

July 20 North Carolina English Teachers Association.

Drs. Posey and Utterback, Co-chairmen

9:30-12:30-Flanagan Building, Auditorium, first floor.

Exhibit: Industrial Arts in the Public Schools Dr. Kenneth Bing

July 12 9-12 & 2-4—Flanagan Building, room 12, basement.

WORKSHOP FOR KINDERGARTEN TEACHERS

August 6 to August 10

Two quarter hours credit.

This workshop may be taken without credit.

This workshop is planned to give teachers of young children an opportunity to study and share experiences in modern early childhood education. The program will include such topics as:

Understanding the Young Child

A Good Program for Young Children

Science and Nature Experiences for Young Children :

Experiences in Creative Arts

Music and Rhythms for the Young Child

Games and Dramatic Play

· Materials and Supplies for Early Childhood Education

Specific problems suggested by the registrants will be given consideration, and special speakers for selected topics will be featured in the course.

This workshop will prove of value, not only to Kindergarten teachers, but to teachers in the Primary grades.

The cost for tuition and room on the campus will be \$20 for the week. A deposit of \$5.00 upon registration is required to reserve a room; this amount will be deducted from the total expenses upon arrival. Meals may be secured in the College Cafeteria.

TRAVEL STUDY TOURS

As a special feature this summer the college will operate two Travel Study Tours as follows:

- 1. During the second session a five week tour up the Appalachian Mountain range to Niagara Falls and down the St. Lawrence Valley by way of Ottawa, Toronto, Montreal and Quebec to the tip of the Gaspe Peninsula. Thence through the Maritime Provinces of Canada, returning through the New England states and New York City. Credit: Nine quarter hours.
- 2. During the second session a five weeks tour will be conducted through the southwestern states to California, north up the California coast and back east by way of the midwestern states. Credit: nine quarter hours.

Both of these tours are open to seniors and graduate students who wish to use the credit for degree or certificate renewal purposes. The credit will be senior-graduate educational extension credit.

Major benefits to students would come from first hand experiences and visits to industrial, commercial, cultural, and historical centers. Printed material, pamphlets, maps, charts, and so forth will be obtained from Historical Societies, Chambers of Commerce, Industrial and Commercial concerns. These will be distributed prior to departure and others added as the tour progresses. Participants will be expected to make a collection of materials and specimens which could be used in their classrooms.

Study will be made of problems on selecting, producing, organizing and using learning materials in curriculum development in elementary and secondary schools. The function and development of curriculum materials are also considered. In addition to the learning experiences to be derived from travel and visitation, organized discussion groups. critiques, interviews, and lectures will be held at regular intervals.

Prior to departure a preparation and orientation period will be held on the campus of East Carolina College. During this phase of the work, lectures will be given by various members of the East Carolina College Staff relative to the areas covered on the tour.

For further information regarding these tours please contact Dr. Ed J. Carter, Director of Bureau of Field Services, East Carolina College.
